BARRIER AND GATE SOLUTIONS THAT WORK FOR YOUR BUSINESS

Dennison Doors can provide the complete access solution to your property. Your physical premises are secure; now what about your property boundary? Manned security isn't always economical, and at Dennison Doors we can help you control who gains access through parking control, barriers, gates, and automatic and pneumatic bollards. The choices and combinations are almost limitless; that's why we are here to provide the expertise and assistance you need.

Additionally, if you have an existing manual sliding or swing gate we can provide the automation you need to allow for smooth and safe traffic flow. Of course, in an emergency, all of our barrier and gate solutions can be manually controlled to ensure a safe and timely exit. From time-to-time accidents do happen, and that is why we carry spares for for all of our barriers and gates and we're on call 24/7 - we know how important it is for you to get things moving again.
